About US

We specialize in manufacturing a comprehensive range of bags including recycle bag, tote bag, heavy duty bag, off-shore bag and to whatever extends within company abilities.

With the support support from our business associates and customers, we able to develop from handmade productions which reduce time, cost without forfeit bag's quality.

Visioning to expand company scale, we never hesitate to invest in well-known machines eliminating the possibilities of non-production time. Incorporate technologies support and momentum, we able to expedite each and every order meanwhile building up our business trustworthy and customers' confidence.

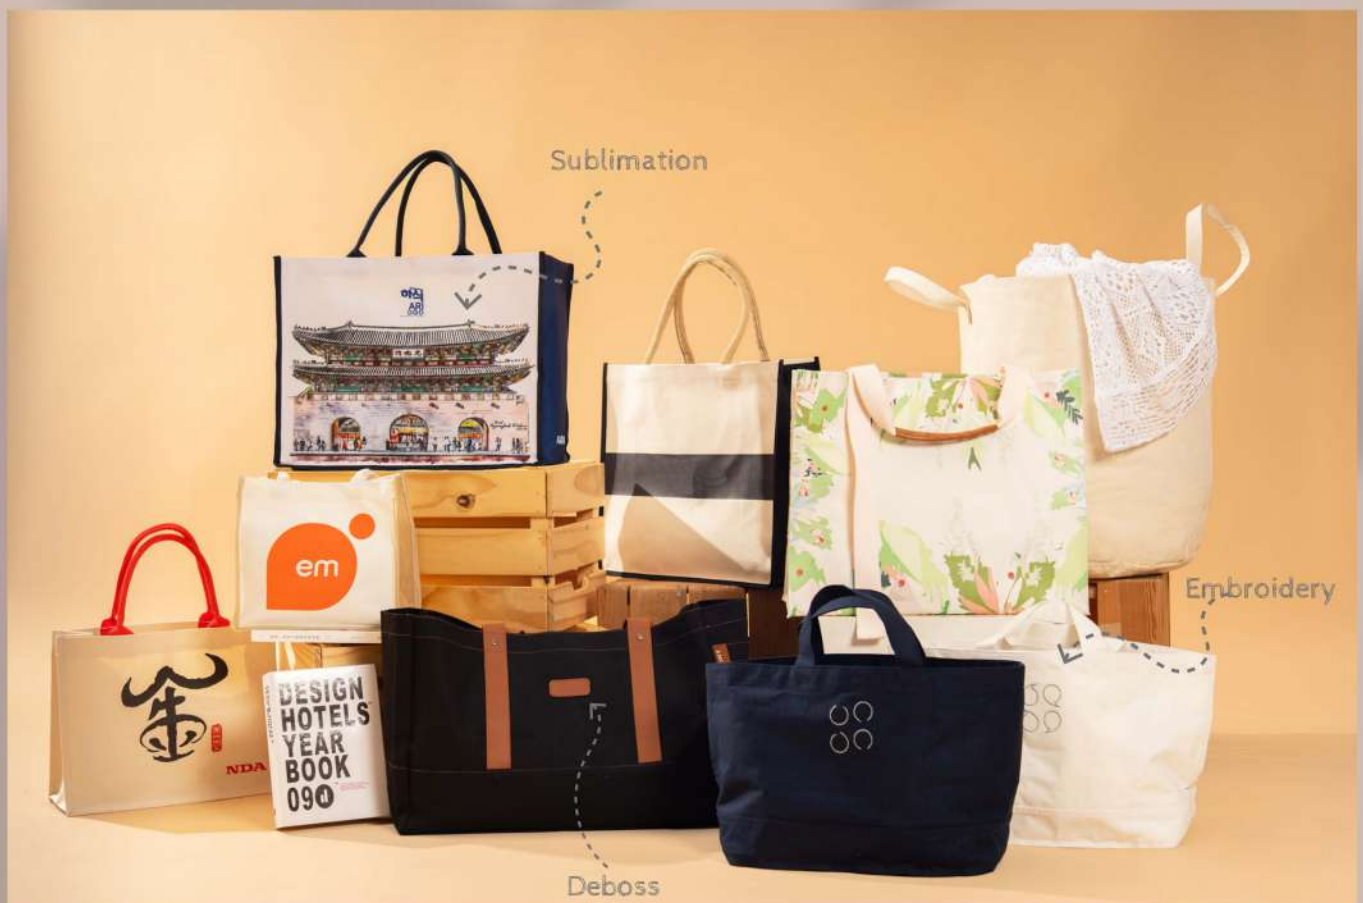

Warehouse & Logistic

Our warehouse able to supply readymade bags for fast-track order raw materials to accommodate custom-made order by keeping eye on market demand time to time. In order to increase customers' convenience, we also provide logistic to service and coordinate our customer to whatever region in Malaysia or Singapore.
